SALE AT THE FARM, 1 P.M. SHARP

Thurs. April 8, 1954

McDONALD BROS.
RIPLEY - ONTARIO

Please bring this catalogue with you on Sale Day

FOREWORD

At infrequent intervals, particular circumstances intervene which force the sale of a productive herd of purebred cattle; this always makes for a buyer's opportunity. Our herd has been constructively bred and diligently and studiously developed down through the years. Our forced decision to disperse has thus created an opportunity for those interested in Shorthorns to share in the results of our program which has been a project that was the major feature of our agriculture enterprise.

We sincerely and conscientiously say that our cattle are the kind that will benefit the breeder, the showman, and the farmer—whether interested in founding a herd or making additions. We have successfully contested at Ontario's leading shows including the Royal Winter Fair and we have always been justly proud of the achievements gained in competition with the nation's top herds.

The health of our herd has been remarkable and we have operated our herd under conditions which have resulted in the development of normal, healthy, stock with rugged constitution.

It has been our pleasure to work individually and in various organizations with our fellow Shorthorn breeders. We have the highest regard for those in the Shorthorn fraternity and we have always, in the past, attempted to merit our position in this highly esteemed livestock group.

We can only say that it is our heartfelt hope that circumstances sometime in the future will again permit us to engage in the production of, and to enjoy the associations of, the Shorthorn industry.

MCDONALD BROS.
Ripley, Ont.
